

# A world premiere of the Qua 32'

aQUATECH Yachts will be showing for the first time the Qua 32' in a world premiere at the 18th Dubai International Boat Show.

Its powerful engines, sleek lines and comfortable layout turn every trip from shore to mothership into an experience far beyond transportation, making it the ideal complement to your mega-yacht. The Qua 32' is

the world's only centre console runabout, with two side folding bathwings that literally transform the Qua 32' into the ultimate swim platform at sea, offering fast and safe access to the water so you can dive in comfortably and to get back on easily.

The automatic anchoring system, the table forward, the fully enclosed electric WC and the teak deck are but

a few of the exclusive features that make the Qua 32' the perfect day-sailing runabout or family boat.

To mark the world premiere of the Qua 32' at the 18th Dubai International Boat Show, aQuatech Yachts will be offering substantial discounts off of the official list price of the Qua 32' for deals made at the show as well as competitive financing packages.
